Create a garden of hope at your school this

Daffodil Day

5 simple steps to success:

1. Source some volunteers to help make your daffodils (or you could even do it as a class activity)
2. Print your daffodil template on yellow coloured paper
3. Make your daffodils following the instructions
4. Glue them to a green pipe cleaner (optional)
5. Register to fundraise at **daffodilday.com.au**

Sell each paper daffodil for a gold coin donation and build your garden of hope.

Spread hope and share your completed gardens!

Take a photo of your garden of hope and share them with us and your community. Post onto social media using the hashtag **#DaffodilDay** and **#CancerCouncil** or visit **daffodilday.com.au**

Make your own daffodil

Make a field of daffodil flowers this Daffodil Day in your classroom. It's easy. Follow the instructions to see your very own daffodil flower come to life.

What you will need

- **1 x large paperclip**
- **Petal and trumpet templates**
- **Coloured textas, coloured paper, pencils or crayons (optional)**
- **Sticky tape or glue**

Method

1. You can either ask your students to colour in their own daffodils or photocopy the templates provided onto coloured card or paper.
2. Cut out each petal shape and placing one on top of the other and using a hole punch, carefully pierce a hole in the middle of them.
3. Twist one set of petals so that you can see all 6 petals.
4. Cut out the trumpet, and fold the cut-out into a cone shape. Make line A & B meet to form a straight edge and fix with clear tape.
5. Fold the tab of the trumpet (C) in half and thread through holes in the petals securing at back with clear tape.
6. You can sticky tape the flower to a surface or make a stem. You can bend the paperclip once to form an 'L' shape and thread one half through the paper trumpet & petals and the other half down into the stem.
7. Secure the trumpet with tape if required.

We'd love to see your completed daffodils!

Take a photo of your creations and share them with us, either by email or using our hashtag on social media. Send them to **daffodilday@cancerqld.org.au** or **#daffodilday**
